

Are you interested in becoming a private patient?

Denplan at Manor Dental allows you to budget for your private dental care by spreading the cost. We offer different categories for adults and children. It is a cost-effective way of protecting you and your family from future dental problems and unexpected bills.

Denplan Care

From £16.19 per month, Denplan Care is a monthly payment plan which helps you pay for routine and restorative dental treatments.

The amount you pay is decided by your dentist and is based on your oral health. After an initial assessment by the dentist of your oral health you will be placed into one of five categories:

Category A: £16.19

Category B: £21.70

Category c: £27.03

Category D: £36.45

Category E: £45.85

Denplan Care includes:

- Dental examinations
- Hygienist visits
- X-rays
- Fillings
- Extraction
- Perio (gum) treatments
- Crowns, bridges & dentures
- Root canal treatment

- Worldwide dental injury
- Emergency cover
- Access to Denplan helpline

Denplan Care excludes:

- Laboratory fees
- Orthodontics & cosmetic treatments

Denplan Essentials

From only £15.38 per month, Denplan Essentials provides an easy and affordable way to look after your smile and budget your dental care.

Denplan Essentials includes:

- 2 dental examinations a year
- 2 hygienist visits a year
- Any necessary x-rays
